PROFIT ALERT — REDUCTION OF LOSS

This announcement is made by 1957 & Co. (Hospitality) Limited (the “**Company**” or “**1957 & Co.**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the unaudited consolidated management accounts of the Group for the three months ended 31 March 2021 (“**Review Period**”) and other information currently available, the Group is expected to record a net loss within the range of approximately HK\$0.1 million to HK\$1.0 million for the Review Period as compared to the net loss of approximately HK\$12.1 million recorded for the corresponding period in 2020.

The Board considered that the decrease in the expected loss was mainly attributable to the combined effects of (i) the increase in the revenue received in a range of HK\$11.5 million to HK\$13.5 million during the Review Period as compared to the corresponding period in 2020 as a result of the extension of dine-in services at restaurants till 10 p.m. and seat up to four people per table from 18 February 2021 onwards (compared with the dine-in ban from 6 p.m. until 5 a.m. of the next working day during the period from 1 January 2021 to 17 February 2021) which resulted in considerable improvement in revenue of the Group for the remaining term of the Review Period; (ii) the increase in the government grants received by the Group of HK\$2.5 million to HK\$3.5 million during the Review Period as compared to the corresponding period in 2020; and (iii) the absence of factor leading to the temporary closure of a restaurant located in Festival Walk for a half month in 2020 whereas such restaurant was in full operations during the Review Period (except for the dine-in ban as mentioned above), the impact of which were partially offset by the increase in corresponding cost of inventories sold as a result of improvement in revenue.

The Company is still in the process of preparing and finalising the results of the Group for the three months ended 31 March 2021. Actual results of the Group for the Review Period may be different from those disclosed in this announcement. Shareholders and potential investors of the Company are advised to refer to the details of the Company's first quarterly results announcement for the three months ended 31 March 2021, which is expected to be published in early May 2021.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
